

CERTIFICATE of Warranty

This certificate extends the warranty of your OCuSOFT® Thermal 1-Touch™ device for a period of two years. This warranty covers the repair or replacement of the malfunctioning unit at OCuSOFT®'s discretion.

This warranty does not provide coverage for lost or destroyed devices. This warranty does not cover consumable parts including the battery unit. This certificate is void if altered. Should you require service for your OCuSOFT® Thermal I -Touch™ device any time during the warranty period, please call **1-800-233-5469** or email **thermalsupport@ocusoft.com**. If service is required during the second or third year extension period, please make sure to mention that your unit was part of the Thermal 1-Touch™ 3 Year Extended Limited Warranty Program. The serial number tag on the device must be present to be eligible for warranty coverage.
